As a nonprofit organization, the American Youth Foundation is deeply committed to broadening the reach of the important mission with which we are charged. Thanks to contributions from our friends and alumni, 81% of AYF campers and 51% of Leadership Conference participants received financial assistance and discounts through our scholarship funds. The stories in this magazine spotlight the AYF's commitment to year-round programming and the life-time journey that is becoming your Best Self.

Please continue to support and share our mission with others. The work of the AYF goes well beyond the camp experience and we hope that the core values of four-fold balanced living will reach tens of thousands of young people in future generations to come. We invite you to be the strength of the organization, the heavy lifters: our volunteers, our donors, our camper parents, our recruiters... our Founders.

The American Youth Foundation extends our deepest gratitude to the following individuals, corporations and foundations for their generous support of our programs and the children we serve.

Every effort has been made to ensure the accuracy of this list. Please accept our sincere apologies for any errors or omissions.
