Thank you for continuing to support and share our mission with others.

As a nonprofit organization, the American Youth Foundation depends on the generosity of our alumni, families and friends. We are so grateful for the support of the many volunteers and donors who give their time and resources to help move our organization forward.

Your commitment allows thousands of young people to experience the core values of four-fold balanced living every year, and it enables the AYF to continue to build toward the future, creating important foundations that ensure the health of our organization for years to come.

The American Youth Foundation extends our deepest gratitude to the following individuals, corporations and foundations for their generous support of our programs and the children we serve.

Every effort has been made to ensure the accuracy of this list. Please accept our sincere apologies for any errors or omissions.
