

Welcome to Alumni and Family Camp! Even in early fall, temperatures can fluctuate between the 90's and low 40's. All clothing and other personal items should be clearly marked with the participant's name. Please be aware that clothes worn outside may get quite dirty. It is recommended to bring a paper copy of your packed items, to ensure that everything that comes, heads home as well. Miniwanca is not responsible for lost or stolen items.

---

Temperatures at camp vary from 40°F to 90°F. Rain gear will help keep you dry, and a wool sweater or fleece will keep you warm even in wet conditions. We recommend dressing in layers and having an exterior warm layer and an exterior waterproof layer.

---

---

## What Not to Bring

While at Miniwanca many of your needs will be met by our staff. We ask that items that we provide for you, such as food for meals and snacks, be left at home. Additionally, as a youth-serving organization we have adopted policies to ensure that we are safe and positive community for our campers that fosters an environment suitable to achieving their best selves and living a balanced life. With that in mind, we ask that the following items be left at home:

Food, Knives, Matches, Alcohol, Tobacco, Aerosol Cans, Fireworks, and Firearms.

Thank you for participating in Miniwanca Alumni and Family Camp. See you soon!
