

Packing List for Summer 2019

Clothing and Equipment for In-Camp Programs

A few helpful hints for packing:

- We highly recommend packing clothing that you are comfortable getting dirty. Camp is not an ideal place to bring new clothing or your favorite items.
- Consider living simply and packing less.
- Temperatures can vary from 40°F to 90°F. We recommend dressing in layers and having an exterior warm layer and an exterior waterproof layer.
- Campers in the 2-week sessions will be able to do laundry once.
- Campers in the 3-week sessions will be able to do laundry twice.
- It is imperative that all items of clothing and equipment are marked with the camper's name. Miniwanca is not responsible for lost or stolen items.

Please contact Team Miniwanca if you have any questions regarding packing.
