Pioneer & Discoverer Campers Get ready for camp!

- ☺ Practice your camp morning routine so you're ready to start each day right! This includes making your bed, brushing your teeth, and keeping your personal belongings neat.
- ☺ Practice taking a shower on your own—make sure you can turn the shower on and get the water ready by yourself.
- ☺ Practice your night routine - washing up, brushing teeth and getting ready for bed. If you normally read a book before you fall asleep, bring a few favorites.
- ☺ Set some goals that you would like to achieve at camp—trying a new activity, making new friends, or climbing to the top of the climbing wall.
- ☺ Look over the “What to bring” list and make sure everything you need is packed and accessible.
- ☺ Practice not using electronics in the weeks leading up to camp.
- ☺ Out of respect for camp’s policies, please do not bring anything on the “What not to bring” list. This includes cell phones and other electronics.
- ☺ Return your forms BEFORE camp!
