Trailblazer Campers—Get ready for camp!

- ◆ If you have new hiking boots, make sure to break them in before coming to camp. Wear your boots for 30 minutes of activity each day for two weeks to adequately break them in.
- ◆ Set some goals that you would like to achieve at camp—trying a new activity, making new friends, or climbing to the top of the climbing wall.
- ◆ Look over the “What to bring” list and make sure everything you need is packed and accessible.
- ◆ Practice not using electronics in the weeks leading up to camp.
- ◆ Out of respect for camp’s policies, please do not bring anything on the “What not to bring” list. This includes cell phones, mp3 players, and other electronics.
- ◆ Return your forms BEFORE camp!
