

# Merrowvista Packing List

## Pioneers & Seekers

- **Please make sure all clothes and belongings are clearly labeled with the camper's name.**
- Consider living simply and packing less. Merrowvista staff will do camper laundry once during the two-week session and twice during the three-week session, and in the event of an accident or emergency.
- Temperatures can vary from 40°F to 90°F. Having an interior warm layer and an exterior rain layer is required to help keep your camper safe and comfortable.
- Consult a local outdoor retailer to find the right hiking boots if your camper is bringing them. [REI has a great guide](#) for picking the right pair.

We recommend active or functional swimwear that covers the body appropriately and allows for active and unencumbered movement and play on the waterfront.

### HIKING BOOTS

Merrowvista strongly suggests campers bring a pair of hiking boots that are sturdy, ankle high and well broken in. If Boots should be sized to fit comfortably with two pairs of socks (one lightweight and one heavyweight). Break in boots by wearing them regularly two months prior to coming to camp.

### COVID-19 MASK REQUIREMENTS

Campers should bring 15-20 3-ply surgical masks or K95 masks for use at camp in situations when mask wearing is advised by CDC guidelines, and/or illness occurs. Masks should meet CDC recommendations, including fitting snugly around the mouth, nose, and chin with no large gaps around the side of the face (even during rigorous activity such as sports or group exercises). Single-layer buffs, cloth masks, and masks with exhalation valves/vents will not be permitted. **Should your camper need additional masks while at camp, Miniwanca will have masks readily available.**

### LUGGAGE

A small trunk or sturdy plastic storage bin with a lid (ex: Rubbermaid) is recommended. It is the neatest and most compact option that allows campers to easily access their belongings. Suitcases are satisfactory but may get scuffed. If you ship your trunk, please do so 2 weeks prior to camp, insured, prepaid, and marked with camper name and destination.

### SPECIAL DAYS

- Wacky Dinner: Be creative and get wacky!
- Enchanted Dinner: The Eating Lodge is transformed into an enchanted realm where all mystical creatures are welcome.
- Superhero Dinner: Dress up as an existing superhero or create your own.
- Talent Show: Bring what you need to show off your talents — musical instrument, props, etc.
- Candlelight Sing: Something nice/clean to wear for the last dinner at camp.

### PERSONAL SPORTS EQUIPMENT

Campers should check with leaders to make sure equipment is stored appropriately so as not to be accessible as a potential safety risk.

### WHAT NOT TO BRING:

- **Electronics such as smartphones, tablets, smartwatches, fitness trackers, e-readers, or other connected devices.** Digital cameras are OK. Any smartphone or connected device will be checked into safekeeping for the duration of the session.
- Snacks, sodas, or sports drinks. Because we have campers with severe food allergies, outside food, candy, and gum are not allowed.
- Pocket knives, hunting knives, hatchets, axes, lighters, matches, candles, or fireworks
- Aerosol cans for sunscreen, bug spray, hair spray, or other products
- All medications, **including over-the-counter and vitamins**, must be turned into the Health Team at check in. Please review our [2022 Health Policies](#) for more information.

**If campers bring these items, staff will collect them for the session and return them at the end of camp.**
