

# PACKING LIST

## MINIWANCA ADVENTURER

- The [Four Trails Camper & Family Handbook](#) contains detailed information on the specific type of clothing and gear required on trail.
- Clothing and toiletries may be used for in-camp **and** on-trail. Consider living simply and packing less.
- Temperatures can vary from 40 to 90 degrees F. An interior warm layer and an exterior rain layer are required to help keep your camper safe and comfortable.
- Take great care when selecting a sleeping bag and its stuff sack (size, weight, packability, materials). See [handbook](#) for more details.
- Visit a local outdoor retailer to find the right hiking boots. REI has a great [guide](#) for picking the right pair.
- Miniwanca will provide tents, backpacks, canoes, PFDs, and all meal and snacks.

### TRAIL CLOTHING

- 1 warm hat
- 1 brimmed hat (for sun protection)

- Gloves
- Carabiners
- Bandanas
- Special outfit for last dinner

# PACKING LIST

## MINIWANCA ADVENTURER

### FOOTWEAR

Closed-toe shoes are required for campers to wear for cooking and hiking. Crocs and Tevas are not considered closed-toe. When choosing footwear for your trip, keep in mind some shoes may overlap in purpose.

- Water shoes: These can be specifically designed water shoes/sandals or an extra pair of tennis shoes. They must have good traction on wet surfaces, provide support, and be quick drying (**Crocs are not appropriate.**) These shoes are used while canoeing and swimming in non-sandy water/rivers, river crossings, etc. (e.g. Sneakers, Keens, Chacos, or Tevas with secure ankle/heel straps).
- Sandals: These shoes are utilized in evenings and around campgrounds for comfort and helping feet breathe after being in other shoes all day. These shoes should be securable (e.g. shoes like Tevas, Chacos, or similar).

### WHAT NOT TO BRING

**If campers bring these items, staff will collect them and return them at the end of camp.**

- Electronics such as smartphones, tablets, smartwatches, fitness trackers, e-readers, or other connected devices. Digital cameras are OK. Any smartphone or Internet-connected device will be checked into safekeeping for the duration of the session.
- Because we have campers with severe food allergies, outside food, beverages, candy, and gum are not allowed.
- Pocket knives, hunting knives, hatchets, axes, lighters, matches, candles, or fireworks.
- All medications, including over-the-counter and vitamins, must be turned into the Health Team at check in. Please review our [Health Policies](#) for more information.
